About This Game

Do you like speed? Are you an epic final races lover? Do you like FREE things? Do you enjoy super dooper hover ships? Do you like split screen games? Do you delight in be the one all over the world thanks to online games? Do you like DINOSAURS?

Sorry, we do not have dinosaurs, but we are the owners of all the other questions answers. So, what are you waiting for?

The steps to find the podium are simple: DRIFT! then you will recharge boost. BOOST! then you will catch your adversaries trails. TRAILS! it will increase your speed and refresh your boost. OVERPASS! Be polite, say goodbye to your opponents cause if you master this stepst, no one will be able to defeat you (well, maybe you live an epic race, which is better!).

. 3 . 2 . 1 . Beep!

Hi again, if you want to keep reading, you must press the download button first...

. 3 . 2 . 1 . Beep!

Did it work? no? Hmmm, you look sharp... I like it!

Fuel renegades brings you the opportunity of be part of a universe with a clear objective: find the glory overtaking your friends (and enemies) in the most dangerous and crazy situations, where the final race result will be written in the last millisecond, making each confrontation an unique battle where you will discover who is the best rider.

How?

With the awesome and legendary game modes that we offer to your chest:

If it is your first time playing race games, no worries, because we have an intuitive tutorial where you will learn all the basic mechanics to enjoy the game.

Quick Race: if you do not have too much time to play, here is your place. You will compete in a random map either against your friends in the split screen, the mystic AI bots or other renegades around the world.

Grand Prix: as an excellent race game we are, the GP mode is required such the oxygen to your lungs. You will search the glory among 4 circuits . Sounds good? Of course it does!

Tic, Tac... Time Attack! Are you the person type who loves beat himself and compare his results in global leaderboards? Your time here have just begin! We propose you the challenge of be the best rider in more than four different circuits (I bet with you a high five that you will never be better than the legend of El Habichuelas).

Maybe you prefer prepare the next race as you like, that is why you have the opportunity of customize all the race settings, such as the map where you will ride or the numbers of laps you will like to play.
